On Consumption

Choose which drinks you'd like accessible for your guests and only pay for what they consume.

If you're feeling generous, open up the whole bar to them, without limits or simply set a bar tab maximum and we'll let you know when you're approaching it so you can either cut them off or keep the drinks flowing!

Individual Sales

Fairly straightforward - allow your guests to purchase their own drinks and put them in control of their own destiny!

Please note that, with all drinks options, Responsible Sale of Alcohol principles will apply and overly intoxicated guests will not be served at the discretion of Collier Park bar staff.
